Don't Miss This Premier Asphalt Event!

The 2016 International Society for Asphalt Pavements and the 53rd Petersen Asphalt Research Conference July 18-21, 2016

This international meeting focusing on the transfer of technology from fundamental research to applied engineering of asphalt pavements will be held in conjunction with the long-standing Petersen Asphalt Research Conference. For more information, visit www.ISAP2016Symposium.org

The ISAP/PARC Symposium is an international forum for researchers, highway officials, producers and others with a stake in advancing the specification and performance of petroleum asphalts. This three-day symposium promotes an understanding of how asphalt chemistry, physical properties and interactions affect the performance of asphalt applications throughout their life cycle.

Registration

Early registration (until May 12, 2016) for the symposium is \$895 for ISAP members, \$1,045 for non-ISAP members, and \$400 for currently enrolled students. Registration cost after May 12 is \$1,100 for ISAP members, \$1,250 for non-ISAP members, and \$500 for currently enrolled students. On-site registration is \$1,500.
